

LOCAL SUPPORT HELPS ADVISER TO BE RATED IN THE UK'S TOP 200

Chester based Independent Financial Adviser, Mark Bird, has been voted as one of the top 200 Rated Independent Financial Advisers (IFAs) in the UK by his clients.

Mark, owner of Chester Financial Wealth Management Ltd, based in Upton and with offices in Warrington, has been advising clients for twenty years and his achievement will be announced in The Times on Saturday 19th October.

Comments Mark: "There are over 20,000 Independent Financial Advisers in the UK so I'm thrilled to be in the VouchedFor.co.uk Top 200. What makes it even more special is that I've been selected thanks to my clients. It means a lot that they've gone out of their way to support me and I'd like to thank them all."

Continues Mark "It's immensely rewarding to see the difference that we make to so many clients in bringing order, structure and sustainability to their financial affairs. As a local, family-owned company, we provide highly personalised independent financial advice and build life-long relationships with our clients, founded on trust, integrity and fairness. "

Mark Bird was selected as a result of local clients reviewing and rating his services on consumer ratings website VouchedFor.co.uk. The site, which enables people looking for financial advice to find a recommended IFA, works like TripAdvisor. You can search for an adviser free of charge based on location and services provided. Advisers are then listed based on client reviews, giving those seeking advice confidence that the adviser can be trusted.
